HAPPY INDEPENDENCE DAY!

We celebrate Nigeria; our home, our heritage, and the nation we proudly call our own.

We honour the strength of our people, the richness of our cultures, the beauty of our diversity, and the resilient spirit that continues to move us forward.

As we mark another year of independence, may we appreciate how far we have come, remain hopeful about where we are going, and continue to play our part in building a nation future generations will be proud to inherit.

Happy Independence Day, Nigeria!

Mshel Homes

HAPPY BIRTHDAY, GMD!

This October, we celebrate the birthday of our Group Managing Director, Arc. Dr. Barka U. Mshelia, a dynamic and dedicated leader who continues to inspire us all.

Your passion, dedication, and visionary leadership have played a pivotal role in transforming Mshel Homes into a remarkable real estate company, empowering countless individuals to achieve their dream of homeownership.

We are honoured to work alongside you as we continue to make a lasting impact in the real estate industry. As you celebrate another year, we wish you continued success, good health, happiness, and many more remarkable milestones.

May the year ahead bring groundbreaking achievements, new opportunities, and even greater accomplishments. Thank you for leading with purpose, inspiring excellence, and guiding us towards greater heights.

Once again, Happy Birthday, GMD!

Mshel Hutu Exclusive

Setting Nigeria's New Standard of Living.

Properties along major airport corridors worldwide consistently attract strong investment returns, rapid commercial growth, and steady rental demand.

Abuja is no exception. According to The African Investor, property values in Lugbe and along Airport Road are appreciating by 18% to 25% annually, driven largely by structured estate development.

Within this high-growth district lies Mshel Hutu Exclusive, Abuja's first golf resort estate. The development has attracted considerable attention for its extensive range of amenities and rapid pace of construction.

Just one year ago, the site was undeveloped land. Today, premium structures are visibly taking shape across the estate. Beyond construction, Mshel Hutu Exclusive is designed to prioritise wellness, evolving beyond a conventional housing development into a sustainable community built for lasting value.

Located within a 10-minute drive of the Nnamdi Azikiwe International Airport, Idu Train Station, and the Central Business District, the estate offers convenient access to key commercial and transportation hubs.

To accommodate diverse investment goals and enhance ownership opportunities, the development is structured into Phases 1, 3, and 5. Beyond residential living, the location presents opportunities for short-let and Airbnb investments. A steady influx of business travellers and commuters supports demand for corporate apartments, hospitality spaces, and conference facilities.

Turn the page to explore Phases 1, 3, and 5 of Mshel Hutu Exclusive. Discover your preferred property and secure a valuable asset with confidence and complete transparency.

The Mshel Group is known for its construction services; therefore, a subsidiary is needed to provide materials and equipment, thereby easing the cost of purchasing and hiring from other vendors.

About Us

Mshel Blocks and Machinery Limited is a subsidiary of the Mshel Group, focusing on block production and machinery management. Organised into two main departments, Mshel Blocks and Mshel Machinery, it operates with a skilled team and a commitment to quality.

Mshel Blocks oversees the production and sale of high-quality blocks used both internally for Mshel Homes projects and externally for clients. It operates in five strategic locations: Belle Vista Kyami, Meridian Kyami, Atlantic Kyami, Beacon Gaduwa and Prime Residence Idu.

Mshel Machinery leases essential construction equipment, including excavators, bulldozers, trucks, concrete mixers, and more. This service provides reliable access to top-notch machinery, supporting efficient construction processes

What We do

Block Production:

We specialise in producing high-quality concrete blocks designed to meet industry standards for strength, durability, and consistency. Our blocks in 6 and 9 inches are manufactured using advanced equipment and techniques to ensure uniformity and longevity and cater to various construction needs across residential, commercial, and industrial projects.

Machinery Leasing

We offer a range of construction machinery for lease, providing reliable, well-maintained equipment to support diverse construction projects. Our fleet includes essential machinery like concrete mixers, bulldozers, excavators, and more, allowing clients to access top-notch tools without the burden of ownership costs. Our leasing services ensure construction companies and contractors can complete their projects efficiently and affordably.

How we do it

Quality is at the core of everything we do. We conduct rigorous testing on our blocks to ensure compliance with regulatory standards, guaranteeing that our products meet the demands of even the most complex projects. Our machinery is regularly serviced and inspected for consistent performance, safety, and reliability.
